

Merchant Services

Expand your opportunities for sales by accepting credit cards at your place of business.

Remote Deposit Capture

Tired of making daily trips to the bank just to deposit your checks? Make deposits right from your desk! Simply scan your checks with the scanner we provide and submit your deposit via a secure connection to the bank.

Secure Tokens

These small, portable tokens generate a temporary security code that you can use at login to safely access your accounts online.

Zero Balance Accounts (ZBAs)

You set the criteria, and we do the rest. Automatic sweeps can be set up daily to save you the time and hassle of manually transferring money each day.

Fees may apply on certain cash management services, and approval is required.
